## LETTER OF UNDERSTANDING

I understand that I will be driving a truck that is leased to Schneider National Carriers, Inc. (SNC) I also understand that although SNC complies with various state and federal regulations, my business relationship, including, but not limited to my employment status, workers' compensation and/or occupational accident insurance, method and amount of compensation, etc., exists solely between the owner of the truck and me and that SNC is not involved in or responsible for such relationship.

In addition, I also agree to abide by the guidelines of the Schneider Passenger Program. I will not allow any passengers to ride in the tractor unless and until all preconditions established in the Passenger Program have been met in full. In order to qualify, I must have at least six months of driving without a preventable accident. I must have a passenger approval from my Independent Contractor Advisor (ICA), and I will be required to take out a Passenger Accident Insurance policy. All necessary forms can be obtained from my ICA.

Qualified passengers include immediate family members 10 years of age or older ( husband, wife, father, mother, grandparent, grandchild, son, step-son, daughter, step-daughter, brother, sister, step-brother, step-sister) or an authorized significant other ( personal friend ) who is a minimum of 18 years of age. All passengers must be able to physically enter and exit the truck, handle long hours on the road and be in good health. Only one passenger may be taken at a time and a total of six passengers can be taken during the year assuming that I remain eligible for the Passenger Program.
